GILCHRIST

K.L. Gilchrist writes contemporary Christian fiction that entertains, challenges, and inspires women with stories grounded in real-life experiences. Her characters grapple with faith, relationships, and personal growth, offering readers hope and encouragement.

A graduate of Temple University and Palmer's Eastern School of Christian Ministry (ESCM), K.L. enjoyed a successful 20-year career as a technical writer in the software industry before pursuing her passion for creative writing. She published her debut novel, *Broken Together*, in 2017 and is now the author of more than six books. Dedicated to supporting fellow writers, she also mentors aspiring authors.

K.L. lives with her family in suburban Philadelphia, PA. When she's not writing, she can be found indulging her love for soul line dancing!

K.L.'s books are available from major online booksellers (Amazon, Barnes & Noble, Books-A-Million, and more). You can also order them from your favorite local bookstore.
